Build a Pathway to Possibility

JOIN THE INTEGRATIVE STUDIES CONCENTRATION

When you choose an Integrative Studies concentration — whether it's as an Interdisciplinary Studies or Global and International Studies major — you get to shape your education around your interests and passion.

You'll work with faculty mentors and advisors to **build a personalized plan of study around the topics that matter most to you.**

CREATE A CUSTOM CURRICULUM

- Include unique goals not met by existing majors
- Develop your plan in partnership with relevant faculty mentors
- Choose courses that meet your needs from across the University

Pursue our Integrative Studies concentration and open doors to careers, advanced study, and unexpected possibilities!
